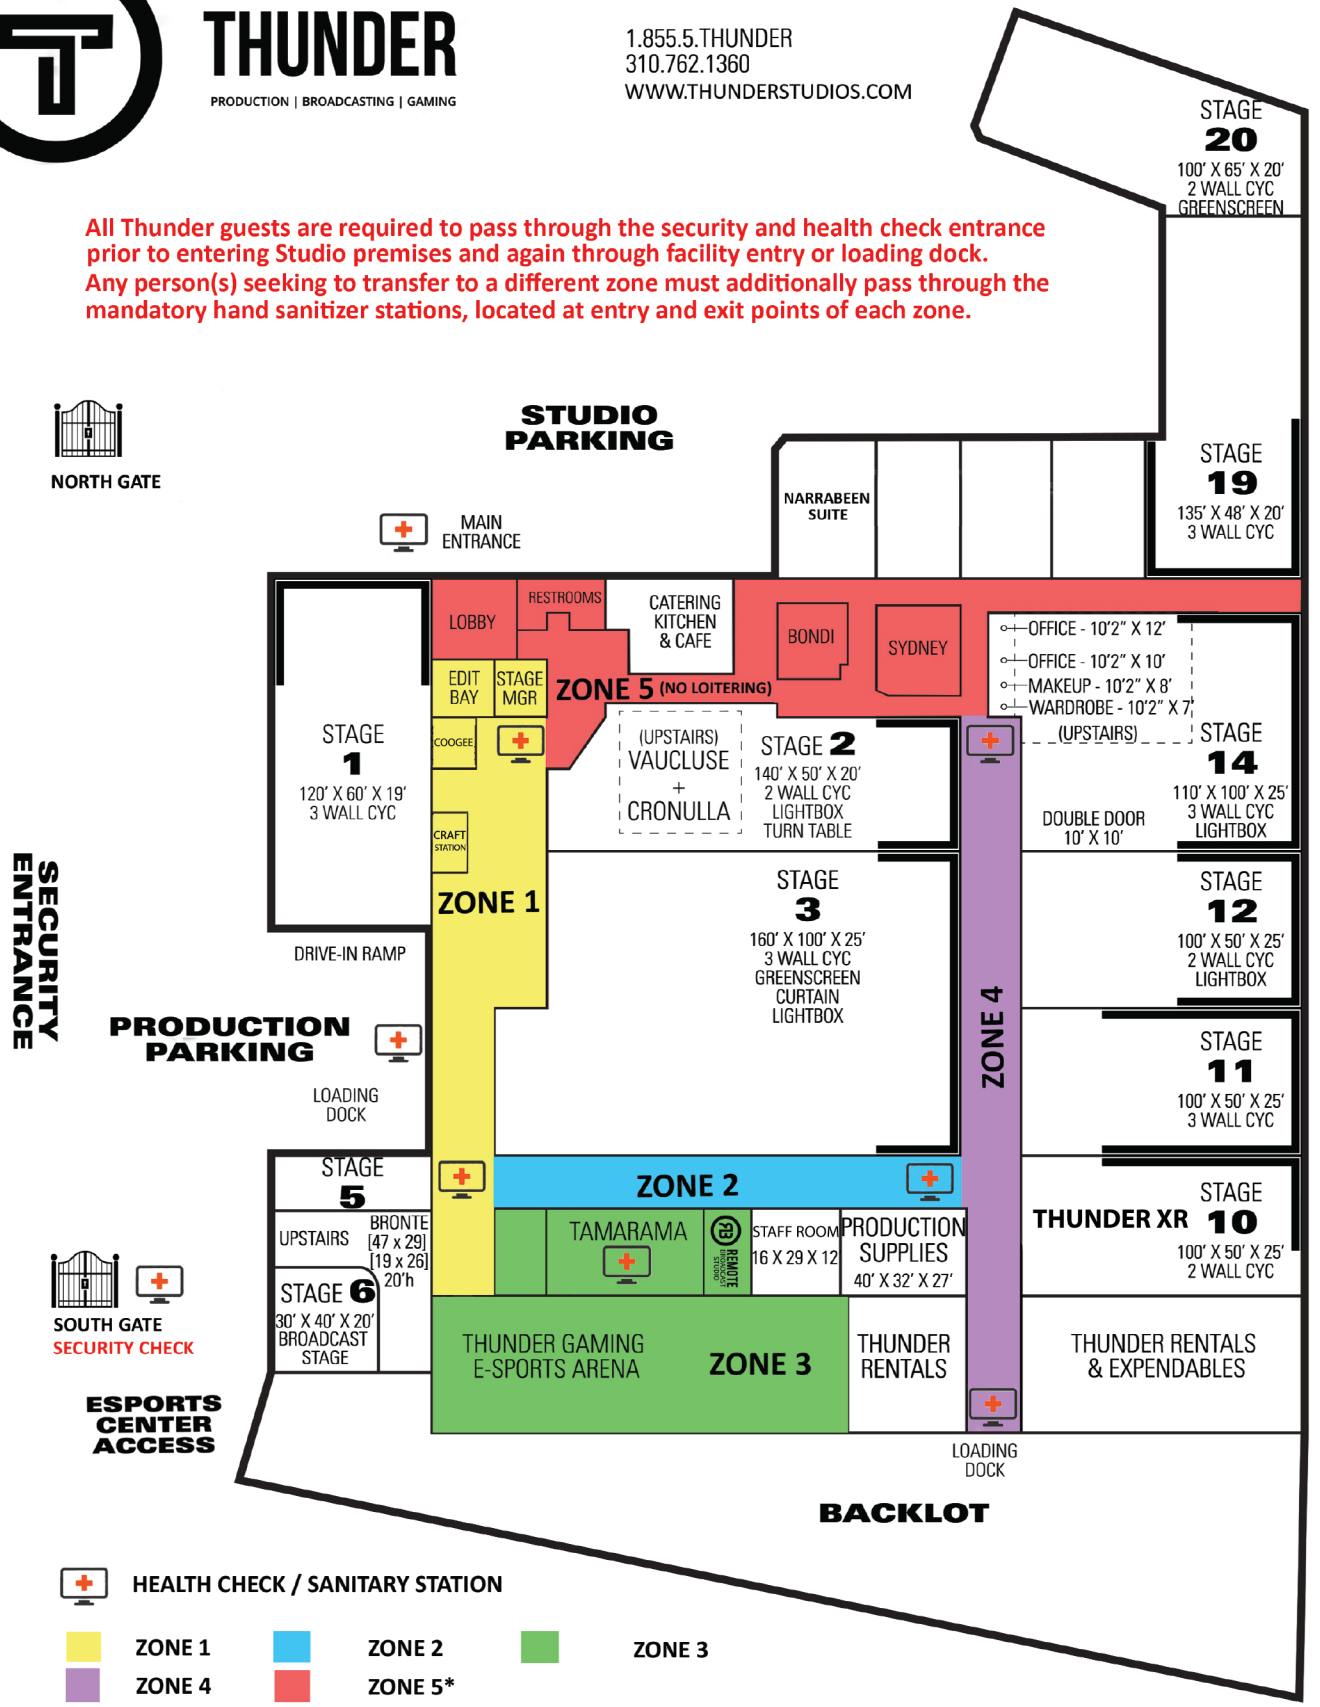
All Thunder guests are required to pass through the security and health check entrance prior to entering Studio premises and again through facility entry or loading dock.
Any person(s) seeking to transfer to a different zone must additionally pass through the mandatory hand sanitizer stations, located at entry and exit points of each zone.



* **ZONE 5** is a no loitering zone. Person(s) in this zone should only be here for the purposes of using the restroom, ordering from the cafe, or enroute to SYDNEY, BONDI, **ZONE 1**, or **ZONE 4.**
